

Parent Instructions for Birthday Parties

Thank you for scheduling your child's birthday party with A Plus Gymnastics. In order for the party to go smoothly and be a pleasant time for everyone involved, we ask that you read over and adhere to the following policies.

1. In order to have the proper number of instructors at your party please let us know if there are any changes to the number of children you originally planned NO LATER than the Wednesday before your party. If the number of children attending your party goes down to the next level, but you do not notify us, you will be required to pay the amount for which your party was reserved, as instructors will already be scheduled to work during your party. Our instructors are required to supervise all activities in the gymnastics area; therefore any children who enter the floor area or use any equipment will be counted as party participants regardless of age.

Non-Members

Up to 12 children = \$190

13-19 children = \$215

20-25 children = \$240

26 or more = \$240 plus \$5 per participant after 25

Members

Up to 12 = \$170

13-19 = \$195

20-25 = \$220

26 or more = \$220 plus \$5 per participant after 25

\$50 nonrefundable deposit is due at time party is scheduled. Balance is due on day of party. Acceptable payment methods are cash, check (made out to A Plus Gymnastics) and debit or credit card (we accept MasterCard, Visa or Discover). Gratuities Welcome.

2. You may arrive up to 30 minutes before party time to set up any decorations you may have. You may bring cake, ice cream, pizza, sandwiches, etc. Limited space may be available in refrigerator/freezer. Please check with us in advance if you think you may need to use them. You are responsible for bringing your own plates, cups, napkins, plastic ware etc, these will not be provided.
3. We ask for your help in keeping our new party rooms neat and clean. Spray cleaner and paper towels will be available to you in the room for wiping down tables, chairs and counters. Brooms and dustpans are available in each room for sweeping up any crumbs. A trash bag will also be provided. Please bag your trash and leave it in the trash bin provided in each area. We will take it from there.
4. Parent helpers are welcome to come out and play with us during gym time; we can always use your help with the kids. For safety reasons, some areas of the gym will be off limits during parties. This includes the balance beams, uneven bars, pommel horse, mushroom & vault. The reason for this is that the kids are here to celebrate a birthday and have fun, not for gymnastic instruction that would require the individualized attention of a spotter.
5. Each child will receive an A Plus Gymnastics Sport/Water Bottle and a pass for a free hour of open gym. Please let us know an exact count of children when you arrive for your party so that we can give these to you.
6. Each party is 1 hour 45 minutes. One hour of structured time with instructor may include: parachute, tumble track, trampoline, climbing net, foam pit, bounce house, obstacle courses, relays, etc. 45 minutes of party time upstairs with parents. Children need to take their belongings from the cubbies to the party room as they leave the gym as they will not be returning to the gym following their time upstairs. You will have 15 minutes to clean up and move out of the party room. If your clean up time exceeds this 15 minute grace period, there will be a \$25.00 fee. You will then be charged an additional \$25.00 for each 10 minute increment past the original 15 minutes. Example: Party ends at 6:00pm. At 6:15pm there is a \$25.00 fee. At 6:25pm it becomes a \$50.00 fee, etc.
7. Each party attendee needs to have a waiver or parental consent form signed to be able to participate in the structured time out in the gym. These forms are included on our invitations (which may be purchased or printed free from our website) or the form itself can be printed from our website.

If you have any additional questions or needs, please feel free to ask and we will try to accommodate you to the best of our ability. We want your child's party to be fun and exciting, and we want you to be able to enjoy yourself too!

Thanks!
